Team Fundraising Sources

Soliciting Funds from Businesses (Sponsorships)

- 1) In regards to fundraising, teams shall not approach any existing SPMHA Sponsor for fundraising or sponsorship at any time. "Fundraising" includes any fundraising recognized as being a team effort to obtain funding including such activities as bottle drives, silent auctions, raffles, product sales, concession attendance or team sponsorship.
- 2) If any team encounters a business which expresses concern over the amount of times that they have been approached to provide funds to the Association or a team of the Association, they shall advise the Association. The Association will then in turn request that teams refrain from approaching this business.

General Guidelines

- 1) Community fundraising activities may include product sales like chocolates, raffles, bottle drives, flyer delivery, social funds and other activities which do not involve solicitation of businesses.
- 2) No team shall be involved in a fundraiser which involves the sale or consumption of alcohol, tobacco products, marijuana or other substances not approved by the Association unless approval has been provided by the Association in accordance with this policy.
- 3) Any fundraiser proposal submitted that involves selling products from a source outside our community will need to include a cost comparison from our local suppliers to justify the choice to go outside our community. This does not mean that the proposal will be approved. The Association wishes to support the local business community as that community supports our program.
